# ABSTRACT

As a Muslim, performing 5 times prayer is a pillar in Islam. Before executing the prayer, we need to purify our face, ears, feet, and arms through wudhu'. This process is easy for us, the young ones. However, for the elders especially those who are not able to move much due to their health condition, this ablution process is very painstaking and taking their times. They have to stand and walk to the bathroom, or they need to use the wheelchair to perform the ablution. With this Mobile Wudhu' Friendly (MWF), those elders in retirement homes facing no more difficulty in performing wudhu'. By placing this MWF next to the bed or chair, the elders are at ease of purification themselves.

## INTRODUCTION

. Surah Al Maidah 5:6 O you who have believed, when you rise to [perform] prayer, wash your faces and your forearms to the elbows and wipe over your heads and wash your feet to the ankles. And if you are in a state of janabah, then purify yourselves. But if you are ill or on a journey or one of you comes from the place of relieving himself or you have contacted women and do not find water, then seek clean earth and wipe over your faces and hands with it. Allah does not intend to make difficulty for you, but He intends to purify you and complete His favor upon you that you may be grateful

The daily obligatory about prayer is the second of the five pillars in Islam. As recited from surah Al Maidah above, it is necessary to purify ourselves before performing the prayer. Thus, this inspired us to create the Mobile Wudhu Friendly (MWF).
